MESSAGE FROM THE LEADERS

"The pathway to higher education is a journey that takes learning beyond classrooms, beyond degrees."

Dear Students,

At MIT Art, Design & Technology University, education shapes intellect, creativity, character, and compassion. For over four decades, the MIT family has nurtured leaders and innovators who continue to make a global impact. You are the next torchbearers of this legacy. Inspired by Swami Vivekananda's vision of harmonising science with spirituality, MIT-ADTU strives to create professionals who are competent, socially responsible, and spiritually awakened. As you move forward, stay curious, work with integrity, and embrace challenges as opportunities to grow. True education is not just about degrees but about becoming a force for positive change. The university will always guide and support you as you shape a brighter future.

"Universities are the reflection of societies, collective knowledge & wisdom."

Dear Students,
Life at MIT-ADT University is more than lectures and exams; it is a journey of self-discovery—an opportunity to develop character, nurture creativity, and prepare to make a meaningful impact on society. Swami Vivekananda's words, "Arise, awake, and stop not till the goal is reached," remind us to pursue our dreams with courage, discipline, and purpose.

This newsletter captures the vibrant spirit of our university, celebrating achievements and opportunities. Let it inspire you to learn, collaborate, and grow as we work together to shape a brighter, better future.

Hon'ble Prof. Dr. Mangesh T. Karad
Executive President & Pro Chancellor
MIT ADT UNIVERSITY, PUNE

**Hon'ble Prof. Dr. Sunita M. Karad
Executive Director**
MIT-ADT University, Pune

Dear Students,

At MIT-ADT University, education is more than acquiring knowledge—it is a journey of empowerment, character-building, and service to society. True learning should ignite curiosity, nurture values, and prepare you to face challenges with courage and clarity.

The life of Savitribai Phule, India's first woman teacher and a pioneer of social reform, is a shining example for all of us. She proved that knowledge has the power to transform not only individuals but entire communities. Let her resilience inspire you to rise above obstacles, embrace compassion, and remain committed to justice and equality.

As you move forward, let your education guide you to innovate responsibly, lead with integrity, and contribute meaningfully to the world around you.

Dear Students,
University life is a journey that goes beyond books and classrooms; it is about shaping your mind, spirit, and purpose. At MIT-ADT University, you are part of a community that encourages innovation, critical thinking, and excellence while staying rooted in values.

The world you are preparing to enter is dynamic and filled with challenges. To succeed, cultivate resilience, discipline, and a commitment to lifelong learning. Knowledge alone is not enough; it must be applied with integrity, compassion, and a vision for the greater good.

Explore ideas fearlessly, collaborate meaningfully, and dedicate your learning to building a just and inclusive society. True success lies not only in personal achievement but in your ability to uplift others.

**Hon'ble Prof. Dr. Rajesh S.
Vice Chancellor**
MIT-ADT University, Pune

Dear Students,

Education is the most powerful tool that can transform both individuals and society. At MIT-ADT University, academics are enriched with innovation, creativity, and real-world application.

My vision is to create an ecosystem where academic excellence and innovation go hand in hand. By embracing new learning methodologies, interdisciplinary approaches, and technology-driven solutions, we are preparing you to face future challenges with confidence and responsibility.

Remain curious, disciplined, and proactive in your learning journey. Let academics be the foundation upon which you build your dreams, and let innovation drive you to turn those dreams into reality.

PROF. DR. SAYLEE GANKAR
Provost, MIT ADT University

PROF. DR. RAMACHANDRA PUJERI
Pro Vice Chancellor - Technology
MIT-ADT University, Pune

Dear Students,

Your journey at MIT-ADT University is more than an academic pursuit—it is a contribution to the vision of Viksit Bharat @2047. As future leaders and innovators, you carry the responsibility of shaping a nation that thrives on knowledge, technology, and values.

Our focus on Research, Innovation, and Entrepreneurship (RI&E) gives you the platform to turn ideas into impactful solutions. Through CRiEYA, advanced laboratories, and global collaborations, you are being prepared to lead advancements in AI, Blockchain, Cybersecurity, Robotics, and Bioengineering. Dream big, stay resilient, and dedicate your learning to building a stronger, self-reliant India.

PROF. DR. MOHIT DUBEY
Pro Vice Chancellor - RIE & IR
MIT-ADT University, Pune

Dear Students,

In today's rapidly evolving world, true progress comes not only from innovation but also from discipline and responsibility. Your ideas and actions must reflect integrity and respect for yourself and others. As the nation implements NEP 2020, remember that growth is meaningful only when guided by strong values.

Through platforms like AIC, IIC, and CRiEYA, you have opportunities to create solutions for society—but this requires clarity of mind, focus, and a healthy lifestyle. Avoid anything that could harm you or others—be it substance abuse, violence, or carelessness—and instead commit to discipline, compassion, and purposeful action.

Dear Students,

At MIT Art, Design and Technology University, we believe education is not merely about acquiring knowledge but about shaping responsible individuals who lead with wisdom, creativity, and compassion. Since our inception in 2016, we have embraced a unique blend of Art, Design, and Technology, built on the timeless union of science and spirituality. Life at our campus goes beyond academics, offering cultural, social, and sporting opportunities while preparing you for successful careers.

As the Registrar, I urge you to uphold discipline, honesty, and respect in all your actions. Avoid any form of malpractice, substance abuse, or behavior that harms you or others. With integrity, focus, and commitment, you can achieve excellence and contribute to a safe, vibrant, and inspiring campus community.

DR. MAHESH CHOPADE
Registrar, MIT ADT University

Dear Students,

Student life is a journey filled with opportunities and challenges, and the choices you make today will shape the leaders you become tomorrow. At MIT-ADT University, we are committed to guiding you on this path with clarity and purpose. Drawing inspiration from the life and principles of Chhatrapati Shivaji Maharaj, we emphasize courage, discipline, and righteousness. Just as Maharaj led with vision and integrity, we encourage you to stand firm in your values, choose the right path, and resist distractions that may lead you astray.

Our goal is to mentor you into becoming responsible citizens who lead with humility, strength, and service to society. True success lies in balancing ambition with integrity and courage with compassion, which are qualities we hope every council member and student embodies.

PROF. DR. SURAJ BHOJAR

Director - Student Affairs
MIT-ADT University, Pune

Dear Readers,

It is with immense pride and excitement that I welcome you to the very first edition of our university newsletter “समन्वय”. This initiative is more than a collection of updates; it reflects the creativity, energy, and achievements that make our campus vibrant. Through “समन्वय”, we aim to keep every reader informed, inspired, and connected. Each edition will highlight events, milestones, and opportunities while strengthening the bond between students, faculty, and administration.

This first edition is a humble beginning, but it carries a larger vision to create a space where stories are celebrated, voices are heard, and ideas take shape. I invite you to engage with this initiative, share your thoughts and contributions, and help us make this newsletter a living expression of collaboration, growth, and the spirit of MIT-ADT University.

विद्यारंभ २०२५

MIT Art, Design & Technology University welcomed its new batch of students with Vidyarambh 2025, a three-day celebration blending orientation, motivation, and cultural festivities.

● Day 1: Inaugural Ceremony & Grand Orientation

The celebration began with the traditional Lamp Lighting Ceremony, symbolizing the light of knowledge guiding the students' path. The event was graced by distinguished guests, including Chief Guest Prof. Dr. Abhay Karandikar (Secretary, Department of Science & Technology, Govt. of India), and Presiding Guest Revered Prof. Dr. Vishwanath D. Karad (Founder & Chief Patron of MAEER's MIT Group and Founder President of MIT-ADT University).

Prof. Dr. Rajesh S. introduced the university's schools, and Prof. Dr. Mangesh Karad, who shared the university's vision and the significance of Vidyarambh. In his keynote, Prof. Dr. Abhay Karandikar inspired students with insights on innovation,

AI, economic growth, and climate change, urging them to take responsibility for shaping the future. The day concluded with an address by Revered Prof. Dr. Vishwanath D. Karad, emphasizing values, ethics, and education's transformative power.

Day 2: Igniting Leadership and Aspirations

The second day focused on leadership and responsibility. Students took the Anti-Ragging Oath during an awareness session, reaffirming MIT-ADT's commitment to a safe, inclusive campus. Prof. Dr. Suraj Bhoyar, Director of Student Affairs, encouraged active participation in campus life for confidence and holistic growth.

Prof. Dr. Suraj Bhoyar, Director of Student Affairs, delivered an inspiring address, encouraging students to actively engage in campus life to develop confidence, leadership skills, and overall growth. The highlight of the day was a patriotic address by Shri Maninderjeet Singh Bitta, Chairman of the All India Anti-Terrorist Front. Drawing from the legacy of Shaheed Bhagat Singh, he urged students to become fearless, responsible, and

proactive leaders. He also administered a solemn Leadership Oath, leaving students deeply motivated.

The afternoon featured insightful sessions by Prof. Dr. Swati More on Training and Placement opportunities, Prof. Dr. Rekha Sukhandi on international programs, and a motivational talk by Mr. Manish Gupta on vision, perseverance, and success.

The day concluded with a vibrant live musical performance by Swaroop Bhalwankar, which energized and captivated the audience, ending the day on a high note.

● Spectra 12.0: A Night of Dazzling Talent and Cultural Grandeur

TEACHER'S DAY CELEBRATION
at Urmila Tai Karad Auditorium

TEACHER'S DAY

Dear Teachers,

Nothing is enough to honour you and everything you do for us. Your scolding may sound harsh, but they are the “ropes that help us hold on” and your criticisms become “stepping stones for our success”. Every ounce of effort you put in is a building block of our future. You give so much, yet ask for nothing, always being the strong, silent presence behind us — pushing us forward and supporting us when we stumble.

This Teachers' Day, we not only extend our heartfelt gratitude but also celebrate you through a special program where every member of our teaching faculty was honoured for their dedication and service. It was a beautiful reminder of the impact you have on our lives. We promise to be the shining results of your hard work and proudly say — we are blessed to be your students.

New Launch

TATVADARSHI

A special launch of 'Tatvadarshi', a new library segment dedicated to Swami Vivekananda, marked the occasion. The collection features books on his life and teachings, honoring him as a profound guru whose wisdom offers invaluable guidance for students on their personal and academic journeys.

NATIONAL SPORTS DAY

MIT-ADT celebrated National Sports Day on August 29, 2025, with a heartfelt tribute to hockey legend Major Dhyan Chand. The day began with a Flag Hoisting ceremony, March Past, and Cross Country Races that set the tone for an inspiring celebration of athleticism and unity.

In the following days, inter-school tournaments added to the excitement, bringing out the best of sportsmanship across campus. In Badminton, MIT School of Computing clinched the Men's title with MIT Institute of Design as runners-up, while MIT Institute of Design took the Women's crown ahead of MIT School of Architecture & Planning. In Table Tennis, MIT School of Computing triumphed in the Men's events with MANET as runners-up, while MIT Institute of Design emerged as champions in the Women's category, followed by MIT School of Computing.

These events reinforced the values of teamwork, discipline, and healthy competition, inspiring every student to stay active, engaged, and strive for excellence both on and off the field.

15TH CONFLUENCE ALUMNI MEET

Confluence 2025 brought alumni from around the globe back to campus for a heartwarming reunion. The evening featured engaging sessions, cultural performances, and an open forum where alumni shared insights with current students, strengthening bonds and inspiring future aspirations.

The evening featured engaging sessions, cultural performances, and an open forum where alumni shared insights with current students, inspiring them to dream bigger and aim higher. Confluence 2025 beautifully celebrated the enduring bond between the university and its alumni, reinforcing a shared commitment to growth and collaboration.
